Welcome to the Sayle Oil Family

Proudly Serving Mid-South Businesses for Over 70 Years.

Since 1947, Sayle Oil Company has been the leading distributor of lubricants, fuels, and bulk equipment in the mid-South. We have the capabilities and resources to service your company—from product delivery to equipment inspection, and oil analysis—as well as everything in between. This full spectrum of products and services make us your one-stop-shop for all things petroleum.

Sayle Oil Company, along with its strongest asset, its employees, is committed to providing the very best products and services to our valued customers.

We Specialize in:

- Fuel & Fuel Solutions
- Complete Line of High-Quality Lubricants
- Shell, Service Pro. PURUS, etc.
- Chemicals & fluids
- Customized Services
- Dedicated Customer Service
- Bulk Equipment

The Sayle Oil Advantage:

At Sayle Oil Company, we have “Petroleum Consultants”, not “Sales Reps.” Our focus is to help you and your business. This differentiator provides our customers with the following advantages:

- “One Stop Shop” focus eliminates multiple vendors and avoids headaches
- Over 100 years of combined industry experience
- #1 brands in the industry
- Multiple services designed to lower your Total Cost of Ownership
- Industry-specific trained staff in all segments of the petroleum industry
- Great relationship with both suppliers and vendors

Every Delivery is Local

- 4 convenient locations to serve you
- Fully staffed bulk plants with industry educated employees
- Local service and delivery to get you what you need, when you need it
